

# SCAPPOOSE AIRPORT BULLETIN

## ATTENTION

July 30, 2025

### Friendly Reminder to Our Pilots

Whether you're based at **Scappoose Airport** or just passing through, please remember to be a good neighbor when flying near our surrounding communities.

We've received an uptick in concerns from residents about low-flying aircraft over homes, especially in St. Helens and Scappoose. While many flights are perfectly legal, we ask all pilots to follow FAA **minimum altitude rules** and avoid low passes over populated areas whenever possible.

Let's work together to keep the skies safe and respectful.  
Thank you for flying smart and being considerate!

Scappoose Airport Manager: Lacey Tolles
