

Scappoose Airport (SPB) is Columbia County's largest airport and is conveniently located within the city limits and urban growth boundary of the City of Scappoose. Designated "general aviation" by the FAA, and owned and operated by the Port of Columbia County, the Airport is a public use facility.

Quick Facts

- Covers 196 acres
- Elevation of 58 feet above mean sea level
- Single 15/33 asphalt runway
- Runway measures 5,100 ft. by 100 ft.
- Zoned as a "public use airport"
- Second busiest non-towered general aviation airport in Oregon with 60,000 operations per year
- Provides "reliever" capabilities to Hillsboro and Portland International Airports
