**CEO and Chairperson  
NEXT Renewable Fuels, Inc.**

With six industrial parks supporting over 42 businesses and hundreds of jobs, the Port of Columbia County is an economic driver for the county. Join us as Port Executive Director Sean Clark delivers the State of the Port, looking at the challenges and accomplishments over the past year, and the projects and opportunities ahead.

Chris Efird, NEXT CEO and Chairperson, will give an update on the \$2 billion renewable diesel and sustainable aviation fuel facility being developed at Port Westward.
