

RESOLUTION NO. 2021-11

A RESOLUTION AUTHORIZING THE PURCHASE OF A BUCKET TRUCK FOR USE IN THE MAINTENANCE OF PORT PROPERTIES.

WHEREAS, the Port's maintenance staff have found it difficult to do many maintenance projects using our smaller bucket truck with limited boom lift, and at 30 years old it has become mechanically unreliable an unable to perform essential work on Port properties; and

WHEREAS, this budgetary year the Port set aside funds to purchase a bucket truck at a reasonable price to fill that need; and

WHEREAS, Port staff researched costs for several new and used bucket trucks, finally settling on a 2011 Dodge Ram 5500 4x4 at \$39,500 as the best option for the make and model, size of boom lift, condition, mileage and price; now, therefore

BE IT RESOLVED by the Board of Commissioners of the Port of Columbia County as follows:

The Board authorizes \$39,500 for the purchase of a used 2011 Dodge Ram 5500 bucket truck, as referenced above.
