

RESOLUTION NO 2023-09

A RESOLUTION AMENDING RESOLUTION 2009-43 TO REMOVE RESTRICTIONS ON LICENSES AND PERMITS

WHEREAS, Resolution 2009-43 ("the resolution") set forth specific rules allowing the Port Executive Director to grant, renew, and revoke temporary licenses and permits for the temporary use of Port property, based upon the need to administratively grant licenses and permits for marina slips, hangars, tie-down spots, and other short-term Port properties to provide for efficient and timely management of Port assets; and

WHEREAS, the resolution currently states that all licenses and permits must be personal the licensee or permittee; and

WHEREAS, as there is frequently a demand for temporary licenses and permits for commercial businesses and other types of entities, the ability to process temporary licenses and permits administratively continues to be a key tool for Port staff to process requests efficiently; now, therefore

BE IT RESOLVED by the Board of Commissioners of the Port of Columbia County as follows:

The Board authorizes the Board President to amend Resolution 2009-43 to remove restrictions and allow licenses and permits with any type of entity.
